VISION AND MISSION OF THE INSTITUTION

Vision:

To be a premier technological institution that fosters humanity, ethics and excellence in education and research towards inspiring and developing future torch bearers.

Mission:

1. To impart quality educational experience and technical skills to students that enables them to become leaders in their chosen professions.
2. To nurture scientific temperament and promote research and development activities.
3. To inculcate students with an ethical and human approach, so as to have big picture of societal development in their future career.
4. To provide service to industries and communities through educational, technical, and professional activities.
