NOTIFICATION

Subject: Constitution of Task Force to monitor implementation of NEP-2020 - Reg.

Reference: 1) Hon'ble Vice Chancellor Order dated: 08.11.2022

As per the direction of the Vice Chancellor, a Task Force has been constituted to oversee the effective implementation of NEP-2020, with the following objectives:

- The Committee shall plan to make the professional education become an integral part of the overall higher education system. Like all higher education, it must significantly involve critical and interdisciplinary thinking and research. All existing stand-alone professional educational institutions will have to become multi-disciplinary institutions by 2030, either by opening new departments or by operating in clusters.
- The Committee shall advise the University on the design of new teaching-learning paradigm, curriculum to be implemented from 2022-2023 onwards, pedagogical structure, holistic Multidisciplinary education with Multiple-Entry-Multiple-Exit for engineering and other programmes of VTU and its affiliated colleges.
- The Committee shall review the academic Regulations/Ordinances/ Rules/Guidelines of all the UG, PG & Research Programmes of the previous schemes of studies & examination processes and recommend these to be revised in the light of latest recommendations of UGC / AICTE / COA and such other Statutory bodies, based on the NEP-2020 policy.
- The Committee shall evolve suitable training programmes on the changes being affected in view of NEP-2020 implementation for the affiliated colleges and other stake holders.
- The Committee shall evolve suitable monitoring process for effective implementation of the NEP-2020 Policy, monitor the same and advise University on modifications / course corrections, required if any.
- Any issues connected with the subject above, shall be communicated to the Committee and all the recommendations of the Committee shall be placed before the Executive Council and Academic Senate, as required, for consideration and subsequent action.

The Committee shall meet either online or at a place, at a time as and when required decided by the Chairman of the committee depending on the agenda and urgency for holding the meeting.

Date: 05/10/2021

A Meeting of IQAC & Academic Council of Guru Nanak Dev Engineering College, has conducted on 04/10/2021 at 3 pm in the Conference Hall.

Agenda for the Meeting:

- Opening Remarks
- Presentation on NEP 2020
- Q&A Session
- Group Discussions
- Best Practices Sharing
- Action Plan Development
- Any Other Business

Following members of IQAC & AC were present in the meeting:

1. Dr. Dhanajay M
2. Dr. Dayanand J
3. Dr. Neel Shetty
4. Dr. B B Kori
5. Dr. Md. Bakhar
6. Dr. Sindu Prasad
7. Prof. K.K. Prasad
8. Prof. Jyoti A

The meeting commenced at 03:00 PM with Principal welcoming all the members.

Principal GNDEC Bidar highlighted the purpose of the meeting, which was to create awareness among the faculty about the National Education Policy (NEP) 2020.

• Presentation on NEP 2020:

Dr. Dhanajay M delivered a detailed presentation on NEP 2020, covering its significance, key recommendations, and implications for higher education.

GURU NANAK DEV ENGINEERING COLLEGE , BIDAR

The presentation emphasized the changes in the curriculum structure, multidisciplinary education, and skill development as outlined in NEP 2020 and also provided insights into the role of faculty members in implementing NEP 2020 and fostering a conducive learning environment.

- **Q&A Session:**

A Q&A session followed the presentation, during which participants raised queries and sought clarifications on various aspects of NEP 2020.

Dr. Dhanajay M addressed the questions and provided further explanations to ensure a better understanding of the policy.

- **Best Practices Sharing:**

Participants were given the opportunity to share their existing practices that aligned with the objectives of NEP 2020.

Several innovative teaching methods, assessment strategies, and research initiatives were discussed, facilitating knowledge exchange among the faculty members.

- **Action Plan Development:**

In the final segment of the meeting, participants collectively developed an action plan to integrate NEP 2020 principles into their teaching practices at GNDEC.

The action plan included strategies to incorporate interdisciplinary teaching, promote research and innovation, and enhance industry collaboration within the institution.

Participants were encouraged to implement the action plan developed during the meeting. The institution would continue to organize workshops, training sessions, and other activities to support the faculty in the effective implementation of NEP 2020.

Principal expressed gratitude to Dr. Dhanajay M for delivering an informative presentation and thanked all the members for their active involvement in the meeting.

The meeting concluded at 5:00 PM

Details of report:

IQAC & ACADEMIC COUNCIL OF GNDEC, Guru Nanak Dev Engineering College, Bidar organized the seminar on “Objectives of NEP-2020” on 17th December-2022 @ Mini Auditorium, GNDEC, Bidar. The seminar was focused on the importance of NEP. The seminar started at 11:30 am with the welcome address and introduction of the programme was given by **Dr. Ajay Kumar S. Molakeri**, Associate Professor, Department of Applied Sciences & Humanities.

Introduction of the Resource Person **Dr. VEERESH RAMPUR**, Assistant Professor, Department of Electronics, Government First Grade College, NAUBAD, BIDAR - 585402 Karnataka was given by the seminar coordinator **Dr. Dhanajay M Principal** GNDEC Bidar and handed over the session to the Resource Person **Dr. VEERESH RAMPUR**.

Dr. VEERESH RAMPUR described about India's National Education Policy 2020 (NEP 2020). During his presentation he highlighted the following points: A new education policy has been introduced by the HRD Minister, Dr. K Kasturirangan supervised this change to improve education. The purpose of this article is to provide you with all the information you need regarding New Education Policy 2022 India, including objectives, characteristics, changes, and all other aspects.

What is National Education Policy (NEP)? • The national education policy is India's new education policy replacing the old one from 1986. As part of the national education policy, primary and vocational education in rural and urban areas are given the highest priority. • The goal of introducing the government new education policy is to improve the education system from 2021 onwards. By establishing a national education policy, all Indian students will acquire a top-notch education.

Major Reforms in New Education Policy 2022 • For grades 3, 5, and 8, students are required to take a school exam that is conducted by the appropriate authority. • The 10th and 12th-grade board exams will continue, however, they will be redesigned to promote holistic development. • PARAKH will establish a new national assessment platform. • From the sixth grade onward, students will be able to code scientific temper with mathematical thinking.

There will also be the option of studying literature from India and other classical languages.

- Students will not be propelled to study any language.
- Students can choose any subject in higher education.
- Entry and exit points for higher education will be multiple and accompanied by appropriate certifications

Students can complete UG programs in three or four years, with a range of exit options and certifications, such as a certificate after one year, a diploma after two years, a degree after three years, and a bachelor's degree with research after four years.

In the Academic Bank of Credit (ABC), academic credits earned through different HEIs will be stored digitally and transferred to the final degree.

- Curricula for all subjects have been streamlined to its core requirements.
- In order to achieve this, they emphasize critical thinking, discovery, inquiry, discussion, and teaching that utilizes
- analysis and holistic learning methods.
- Regulations are expected to be light but tight in higher education.
- Focus on e-learning to reduce textbook dependence.

With the new policy, education will receive 6% of GDP, up from 1.7% previously. This will positively affect the education system.

- By 2040, they aimed for all HEIs to be multidisciplinary and each to have at least 3000 students.
- All college affiliations will be phased out over the next 15 years.
- By 2030, every district should have a large multidisciplinary HEI.
- Ensure 100% literacy for youth and adults by 2030.
- For admission to HEIs, the NTA will offer a common entrance exam.

Features of New Education Policy

- A new national education policy has been enacted by the ministry of education.
- It became the ministry of education from the Ministry of Human Resource Management.
- Under the national education policy, education will now be universal, except for medical and law studies.

- They can choose a subject as they wish, for example, they can study accounting and physics or arts.

Vision of New Education Policy

- The NEP 2022 aims for an India-centric education system that contributes to India enduring into a vibrant, equitable, and knowledge-based society by providing world-class education.
- Our country's research and education facilities

Proceedings:

Agenda No. 1: To discuss and finalize various events to be conducted for the benefit of students of the college, in the academic year 2021-22

Prof. Sunil Birkur, read the agenda of the meeting. He suggested the events to be conducted in the odd semester of the academic year 2021-22 be proposed by the members:

i) **Fresher's Welcome Party for UG:** Prof. Basamma suggested that a fresher's party to be held for the new UG students. For this chairman told that as government of Karnataka has issued a advisory not a conduct any gatherings for at least one month. But it will be too late to conduct fresher's party at the later stage of the semester hence he advised that this time this event stands cancelled.

However the individual departments can arrange fresher's party for second and third year students on a smaller scale with appropriate Covid-19 protocol followed, as no fresher's party was conducted for them in previous years. If necessary any help required will be provided by the cultural committee of the college.

The department coordinators should convey this message to their respective HOD.

ii) **22nd VTU Youth Festival:** Dr. Shilpa said we should have all the events that are part of University Festival, be conducted in college every Tuesday and Thursday between 4-6pm this will not disturb the classes. From these auditions, a team may be selected that will represent the college in youth fest. On this point the chairman the convener to prepare audition schedule. This schedule should be broadcast in the cultural club whatsapp groups.

iii) **Farewell Party:** Prof. Ashfaq suggested a fare well party be conducted for final semester students, at college level, at the end, probably in July month as semester is delayed. Everyone agreed.

iv) **College Day:** Prof. Hemavati Patil suggested that college day should be celebrated in the even semester, probably in the month of June. This should be a grand event that should be talk of the town. All seemed very enthusiastic for this event.

v) **Participation in cultural events of other institute's:** Prof Sunil Birkur will keep track of the invitation sent by other institutes from time to time and decision for participation in any of them will be taken, at that time. Chairman said that probability of any such events looks bleak as still Omicron fear is still around let us wait and watch.

Proceedings:

Agenda No. 1: To discuss and finalize various events to be conducted for the benefit of students of the college, in the academic year 2021-22

Prof. Sunil Birkur, read the agenda of the meeting. He suggested the events to be conducted in the odd semester of the academic year 2021-22 be proposed by the members:

i) **Fresher's Welcome Party for UG:** Prof. Basamma suggested that a fresher's party to be held for the new UG students. For this chairman told that as government of Karnataka has issued a advisory not a conduct any gatherings for at least one month. But it will be too late to conduct fresher's party at the later stage of the semester hence he advised that this time this event stands cancelled.

However the individual departments can arrange fresher's party for second and third year students on a smaller scale with appropriate Covid-19 protocol followed, as no fresher's party was conducted for them in previous years. If necessary any help required will be provided by the cultural committee of the college.

The department coordinators should convey this message to their respective HOD.

ii) **22nd VTU Youth Festival:** Dr. Shilpa said we should have all the events that are part of University Festival, be conducted in college every Tuesday and Thursday between 4-6pm this will not disturb the classes. From these auditions, a team may be selected that will represent the college in youth fest. On this point the chairman the convener to prepare audition schedule. This schedule should be broadcast in the cultural club whatsapp groups.

iii) **Farewell Party:** Prof. Ashfaq suggested a fare well party be conducted for final semester students, at college level, at the end, probably in July month as semester is delayed. Everyone agreed.

iv) **College Day:** Prof. Hemavati Patil suggested that college day should be celebrated in the even semester, probably in the month of June. This should be a grand event that should be talk of the town. All seemed very enthusiastic for this event.

v) **Participation in cultural events of other institute's:** Prof Sunil Birkur will keep track of the invitation sent by other institutes from time to time and decision for participation in any of them will be taken, at that time. Chairman said that probability of any such events looks bleak as still Omicron fear is still around let us wait and watch.

Minutes of Finance Committee Meeting

The Finance Committee of GNDEC was held on 05/01/2021 at 10.00 A.M. at conference hall under the Chairmanship of Dr. S. Balbir Singh, Chairman, GNDEC to discuss about budgetary allocation for the year 2021-22.

The Committee discussed about streamlining and need for prudence in budgeting and expenditure. The following policy issues were resolved.

All the Departmental / Unit heads will be required to submit annual budgetary demands well before beginning of financial year with clear cut justification and outcomes. In addition to capital expenditure on procurement, construction and salary etc, there shall be expenditure to improve academics in the institution.

- Institutional Strategic Plan will be the cornerstone for budgetary allocation.
- So, all HODs should keep in view Institutional strategic plan while making annual budgetary demands.
- Priority should be given for repair and maintenance of existing machineries /equipment for teaching learning and research purpose if they are not obsolete.
- While proposing removal of obsolescence and procuring new machinery / equipment, priority will be given to those required as per new University Curriculum / AICTE norms needed for teaching learning process and research. Also, care be taken to procure equipment of relative modern make with good service / calibration facility.
- All proposals for budget must include a clear justification with outcome and detailed specification and approximate cost of the item.
- A standard budget demand format be designed by Finance Cell keeping the above in view.

The Chairman thanked all for valuable inputs and hoped it will improve fiscal discipline in GNDEC.

The meeting ended with thanks to Chair.

2. Review of Action taken report on decisions taken in WDC meeting held on for academic year 2020-21.

- WDC conducted an awareness program for student to educate them about the existence of WDC committee and its objectives
- On April 27, 2021, Women Development Cell (WDC) conducted a webinar titled "The Choices We Make: Towards a More Empowered Us." The session was facilitated by Ms. Shreya Shah, a Ph.D. holder in psychology from IIT Bombay. The focus of the webinar was to instill positivity and combat the negative impacts of the COVID-19 pandemic and the resulting lockdown. The webinar was attended by both students and faculty members, and they greatly benefited from the insights shared. Participants gained valuable knowledge on making choices that lead to empowerment and realized the importance of empowerment in their lives.
- The WDC committee at GND Engineering College organized another webinar on May 6, 2021, titled "Gender Sensitization and Women Empowerment." The session received substantial attendance from female students, with a maximum turnout. The resource person highlighted the significance of gender sensitivity and the need to modify behavior by raising awareness about gender equality concerns. The webinar aimed to promote a deeper understanding of gender-related issues and empower women by fostering a more inclusive and equal environment.
- GND engineering college WDC committee celebrated "International Women's Day" on 8th March 2021 in Main auditorium. Mrs. Reshma Kaur, Vice Chairperson was the Chief Guest for the program. She spoke on the occasion and sensitized students about women empowerment, gender equality and relevance of educating women in the society.

3. Publicly notify the provisions of WDC and ensure their wide dissemination

Display prominently at conspicuous places or notice board and make all sections of the institutional aware of the information on the mechanism put in place for development and harassment of women, contact details of members of WDC and so on
